

16 FAM 320 HEALTH CARE ABROAD

*(CT:MED-1; 02-18-2005)
(Office of Origin: M/MED)*

16 FAM 321 HEALTH CARE RESPONSIBILITY AT POSTS ABROAD

*(CT:MED-1; 02-18-2005)
(Uniform State/BBG/USAID/Commerce/Foreign Service Corps—USDA)
(Applies to Civil Service and Foreign Service employees)*

Responsibilities of the Office of Medical Services (M/MED) for health care at posts abroad that have health units:

- (1) Assist all eligible employees and eligible family members in obtaining quality medical care in the region where they are assigned (medical confidentiality will be observed when providing medical assistance);
- (2) Promote the health of eligible employees and eligible family members by providing health services when possible, encouraging prevention of illness, and facilitating access to health care;
- (3) Develop standard operating procedures and scope of practice for medical personnel;
- (4) Provide an environmental health and preventive medicine program that focuses on the protection of employees, including Foreign Service nationals (FSNs), and locally engaged employees such as personal-service contractors from post-specific health risks; and
- (5) Provide comprehensive occupational health services to post employees, including Foreign Service nationals and locally engaged staff, such as personal-service contractors.
